

UMK 435 LE

35cc Brushcutter

D-loop handle

Simple and compact control, with a comfortable soft skin.

Intuitive control

Ergonomically designed controls for ease of use.

35cc OHC 4-stroke engine

This powerful yet ultra-quiet, smooth and efficient 4-stroke starts first time with no mixing of fuel and oil needed.

Unique 360° lubrication system

Allows the brushcutter to be used and stored through a full 360° incline.

Easy start

Easy starting 4-stroke engine with low recoil effort, gives outstanding smooth operation and reliability.

Nylon spool and 3-tooth blade

Ideal for clearing thicker and more demanding undergrowth. A range of optional blades are also available to suit a variety of tasks.

Safe and comfortable

Supplied with a double harness and safety goggles for comfortable use over extended periods.

For thicker and more demanding undergrowth, the UMK 435 LE features the easy starting, quiet and ultra-efficient 35cc 4-stroke engine, with a robust yet lightweight design for real go-anywhere performance. Honda's 4-stroke technology means first-time starting with no mixing of fuel and oil needed, and the unique lubrication system also allows the brushcutter to be used and stored through a full 360° incline without damage to the engine.
