

UMS 425 LE

25cc Bent Shaft Trimmer

D-loop handle

Simple and compact control, with a comfortable soft skin.

Intuitive control

Ergonomically designed controls for ease of use.

25cc OHC 4-stroke engine

Powerful, clean and efficient - one of the world's lightest 4-stroke engines at 2.78kg.

Unique 360° lubrication system

Allows the brushcutter to be used and stored through a full 360° incline.

Easy start

Easy starting 4-stroke engine with low recoil effort, gives outstanding smooth operation and reliability.

Nylon spool

Ideal for trimming those difficult areas of rough grass around the garden.

Safe and comfortable

Supplied with a double harness and safety goggles for comfortable use over extended periods.

The UMS 425 LE features the easy starting, quiet and ultra-efficient 25cc 4-stroke engine, with a robust yet lightweight design to tackle undergrowth and rough grass where a lawnmower can't. The unique lubrication system also allows the trimmer to be used and stored through a full 360° incline without damage, for real go-anywhere performance.
